Stop times are approximations. The bus may run a few minutes late in order to accommodate off route deviation requests.  
The route is designed with recovery time at both ends. It will NEVER run early.

The Summer Shuttle runs on a flexible route, Monday thru Saturday, from 8:00 am to 5:10 pm.

You don't have to be at a bus stop to ride. Simply flag the driver and he or she will stop at the nearest safe boarding location. Our system also features route deviation – which means we can go off route between stops to accommodate curb side pickup or delivery. To arrange a deviation simply call us a route in advance.

All of our buses feature ADA accessibility for your mobility device. If your device is larger than 30" wide or 48" long, please call for an assessment before planning to ride. Our system welcomes your disability service animal. Sorry, we cannot accommodate pets.

At only \$3 for an all day pass, the Summer Shuttle is the most cost effective mobility option in Wallowa County!
